EUROPEAN **FACADE** SUMMIT

Smart and sustainable facade solutions

EFS | EUROPEAN FACADE SUMMIT is the cross-technology event for intelligent and sustainable facade solutions with strategies from the areas of innovation, technology and marketing for successful companies in the facade market. The new meeting place for façade construction is aimed at the entire industry.

The focus on the areas of innovation, technology and marketing is reflected in the presentations and discussions.

On 1.5 days in Vienna, including catering and a finale.

EFS | **AWARDS**

We are looking for the most innovative projects in the area of VHF and curtain walling and award a prize for special achievements in the area of sustainability. Further information and submission documents can be found on the following pages!

ABOUT | US

Interconnection Consulting is a Vienna-based market intelligence company with its own event division. Since 2019, we have been organizing larger business events and congresses with a BRANCH focus and on MANAGEMENT topics. Our two-day BRANCH events place a clear emphasis on the areas of innovation, market development, strategy, digitalization and communication. Parallel to the presentations by leading representatives of the respective industries and external experts, discussions, an award ceremony and a joint finale are offered.
